

Dear BIHC Community,

Since 2015, you have trusted us to provide quality hospitality education that is unparalleled in Africa and to do so in a safe and responsible manner. Today as the world comes to terms with an unprecedented global pandemic – COVID_19 (Corona virus), this mandate is more important to us more than ever. In view of these dynamic factors, allow us to share some insights into different measures we are taking to safe-guard the safety of our students, faculty, and staff and by extension the BIHC Community.

Lectures

All lectures are suspended as at 12.00 Noon on Monday 16th March 2020 until Monday 11th May 2020.

All students are encouraged to access our e-learning resources for lecture notes, assignments and additional learning materials. Our e-library facility is accessible online (Dawsonera) with a wide range of textbooks and journals for use.

Exams

All exams for the January – May 2020 cohort will be rescheduled to a further date that will be communicated in due course.

Internships and Placement

Our physical Internship Office will remain closed until Monday 11th May 2020. Placements will proceed as usual with communication to the Placement Office only through lameck.tala@bihc.ac.ke. Please note that due to travel and meeting restrictions, delays in placement as well as commencement of internships may be experienced. We will continually update all eligible placement candidates as the process continues.

All international internships have been suspended.

Enrollment Office and Admissions

Our physical Enrollment Office is officially closed until 11th May 2020. Admissions for the May 2020 intake will continue online with submission of application documents via study@bihc.ac.ke. Our communication lines will remain solely through email and our social platforms via our handle-@bomacollege.

General Communication

As directed by the Kenyan Government, the management seeks to have all non-essential staff minimize movement and hence our phone lines may not be fully accessible during this period. We highly recommend that you reach out to us via info@bihc.ac.ke | study@bihc.ac.ke or WhatsApp on +254 719 050 550.

Health & Safety

During this period, our facilities, including lectures rooms, training kitchens as well as recreation areas shall be disinfected. We have taken additional measures to sensitize our student body, faculty and staff on safe hygiene practices. We have also ensured additional placement of hand sanitizers has been carried out.
