MORE THAN JUST THE LANGUAGE

Take a trip around the world....

From Flamenco to paella, dive into the vibrancy of the **Spanish**-speaking world.

Spoken by over 500 million people globally, Spanish is the second most spoken language in the world by native speakers. It is the official language of 21 nations, including Spain and the numerous different nations of Latin America, Europe and Africa.

Explore the elegance of France's language, cuisine, and art.

French is renowned as the "language of love". Considered the most-learned language worldwide it is one of the 6 official languages of the United Nations and the official language of the European Union.

Unlock the language of innovation and rich traditions.

#DidYouKnow - **German** is famous for its excessively long words with the longest word being made up of 79 letters!

Donaudampfschiffahrtselektrizitätenhauptbetriebswerkbauunterbeamtengesellschaft.

Step into the world of one of the most widely spoken languages in the world.

And guess what, unlike English, **Mandarin Chinese** doesn't use an alphabet. Instead, its writing system is logographic, where each character represents a word or concept.
